The goal of Good Samaritan Food Ministries of Northeast Georgia is to love and serve people in our community so they may reach their full potential physically, emotionally, and spiritually. We begin this mission by meeting one of the most basic and urgent needs: food.

In 2025 alone, we distributed over **2 million pounds of food**, serving **160,000 individuals**, including more than **21,000 children** and nearly **12,000 senior adults**. The need in our community continues to grow in 2026, and we cannot meet it alone.

With that being said, we need your help. It is that time of year when we raise awareness and funds for the Good Samaritan Ministries with our **9th Annual Golf Tournament**. Our tournament is scheduled for **Tuesday, September 15, at the Country Land Golf Course in Cumming**.

This annual event is the one fundraiser that makes it possible to provide much-needed food.

Over the past few years, **we have honored our first responders** by having sponsors for their team. This allows us to say thank you to those in our community who put their lives on the line for our protection and safety.

You have an opportunity to join us in appreciation for these for all they do in our community!

Thank you!
