The goal of Good Samaritan Food Ministries of Northeast Georgia is to love and serve people in our community so they may reach their full potential physically, emotionally, and spiritually. We accomplish this by first meeting our neighbor's food needs. Many men, women and children are struggling to get their next meal.

In 2025, we provided over 2 million pounds of food. With that, we served over 160,000 clients with over 21,000 children and almost 13,000 senior citizens. This year, the need is even greater.

With that being said, we need your help. It is that time of year when we raise awareness and funds for the Good Samaritan Ministries with our 9th Annual Golf Tournament. Our tournament is scheduled **Tuesday, September 15, at the Country Land Golf Course in Cumming.**

As you know this economy is hurting the most vulnerable, and the cost of groceries are getting higher. Families are having to choose between buying groceries and paying rent. We help them stay in their homes by providing food for their table. Therefore, our goal is \$30,000 which will help us provide food for the remainder of the year. We celebrate with you that 100% of the tournament proceeds go back into ministry serving the Gainesville / Hall and surrounding communities.

There are several opportunities for sponsorship on the following page. Simply complete the attached form. Make checks payable to Good Samaritan Food Ministries and in the memo line GSM Golf Hole Sponsor. Mail check and form to Good Samaritan Ministries, 1220 McEver Rd, Gainesville, GA 30504.

Thanks for your consideration to support our 9th Annual Golf Tournament.
